ENRICH in Brazil: Matchmaking & Innovation Tour to Brazil

23-27 September 2019

In September 2019, ENRICH in Brazil is organising a Matchmaking & Innovation Tour to Brazil (23-27 September 2019), considered as an unique networking opportunity for European organizations operating in the area of Bioeconomy, Renewable Energies and technologies applied to these sectors. The five-day tour through the state of Paraná, namely Curitiba and Foz do Iguaçu, includes visits at top technology organizations (incl. ITAIPU and the Parque Tecnológico de ITAIPU), matchmaking session @FIEP with the main players in the region and the sectorial areas and the participation at the ANPEI Conference, known as one of the main conferences in Brazil when it comes to Innovation.
